## Sorry, Not Sorry

In a world of skepticism and post-modern culture, students are desperate for answers to the hard questions about their faith. Things like: “Is God real?”, “How do I know that the Bible is accurate?” or “How do I defend my faith to others?” In this series on apologetics, we tackle some of the big questions to help students learn how to understand and defend their faith well.

## The Future is Bright

Our students need a hope they can hold on to. In this series, we'll look through the Scriptures to see that God has a plan for our lives, will provide for us, and is a living hope we can hold on to. Students will learn to walk in truth and believe that despite their circumstances, the future is bright.

## Summer Soundtrack – 2024

Music is powerful. It connects us to others, to our emotions, and even to God! Our students engage with music in pop culture daily. We believe that meaningful discussions around Christ and a Biblical worldview are critical. There is no better place to discuss the Christian worldview than in contrast with the culture of the world's music. This four-week series discusses some of the hottest songs in pop culture and draws out Biblical truth for discussion from their lyrics.
